The DAP FP17 is a two-in-one cable for attaching your speakers to both your audio mixer and the main power supply. It has powerCON (male/female) and 3-pin XLR connectors (male/female).

The FP17 is called a hybrid cable since it has two different connections: one for power and the other for audio communication. Please note that it should not be connected and disconnected under load.

This hybrid powerCON cable is available in the sizes 150 cm, 3 m, 6 m, 10 m and 15 m.

Special features:

- 2-in-1 combi cable
- Suitable for audio
- 3-pin XLR connectors
- powerCON connectors
- Available in different lengths
