#### Price display

Attractive cover for speaker wall mounts with a wall mounting plate of 160 x 90 mm (e.g. 24471). This cover conceals the fastening parts of the wall mount and thus visually enhances it. The cover can be easily and quickly attached to the installed wall mount and removed again for service work. No tools are required for installation, as the robust cover made of impact-resistant plastic is fastened with magnets. Several cable outlets are provided for concealed cable routing.
